

# Volunteer Training Session Presented to Friends of the Library

The first of two volunteer training and orientation sessions was held at the Wasatch County Library last Saturday, Nov. 3. The sessions are being sponsored by the Friends of the Library

organization for the purpose of training those who are interested in assisting the regular library staff on a volunteer basis. Mrs. Vicki Renz, instructor, gave written and oral information on the card catalog and also showed

a filmstrip on its use. Those who attended felt their time was well spent.

Next Saturday, Nov. 10, the second session will be held at the Wasatch County Library from 10:30 a.m. to 12:00 noon. Mrs. Renz' instruction will focus on the Dewey Decimal System. As before, this class is open to the public and free of charge. If you missed the first class, please feel free to come to the second one.

That information is still available in hand-out form. Please support your local county library by taking advantage of this important instructional opportunity. Anyone interested in becoming a Friend of the Library may do so for a \$1.00 membership fee. Of, if you're interested in volunteer service, you may contact Director Darian Shaw at 654-0744.

Your support will be appreciated!
